

* Denotes the lead borough in each constituency, through which the Constituency Returning Officer (CRO) can be contacted.

The CRO is responsible for:

- all aspects of the administration of the Constituency Assembly Member election, including candidate nominations
- the elements of the Mayor of London and London-wide Member elections that fall within their constituency area, including the conduct of the poll and the counting of votes

Requests for electoral registers can be made via each borough’s electoral team, again using the contact details below.
